

Google Sheets Readme - SaaS Financial Model

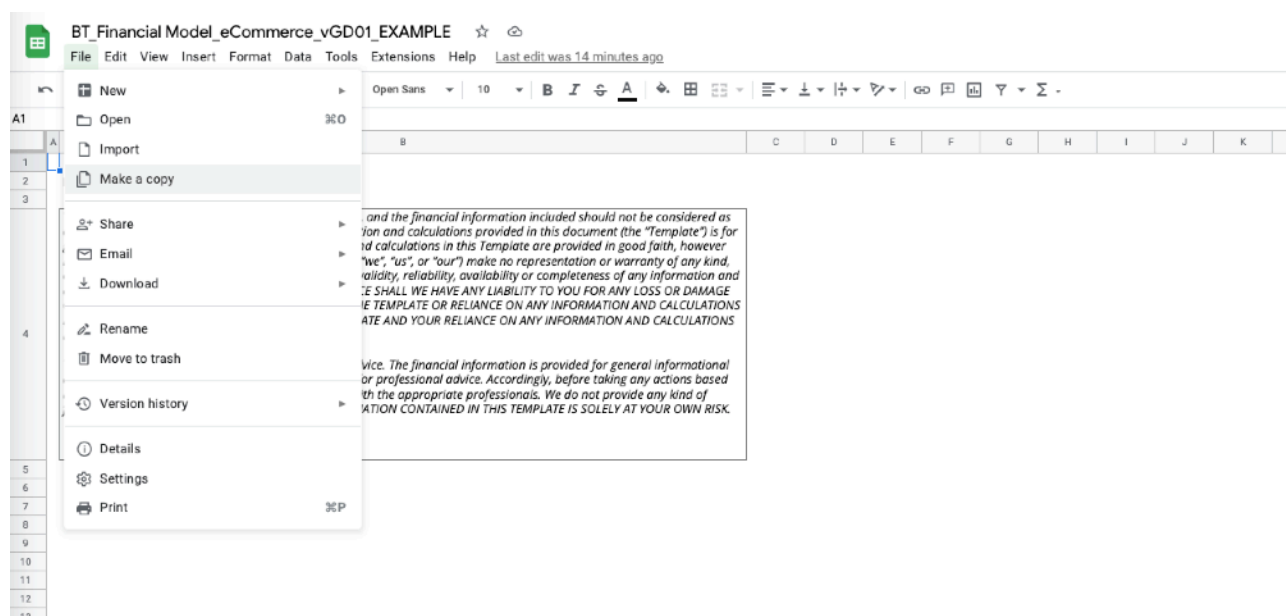

Thank you so much for choosing the BaseTemplates Financial Model Template.

This Readme is for everyone who wants to use the Financial Model in Google Sheets.

To do that you simply go to this link:

https://docs.google.com/spreadsheets/d/1QGK9BNpr4WakDNk9PpcCnwZV6VOPnl_2pc9tEdqcjE/edit?usp=sharing

On the page of the financial model you have to go to File > Make a copy.

You can now find a copy of the model inside your Google Drive.

Do you have questions regarding the financial model? Don't hesitate to contact us at hi@basetemplates.com.

*Wishing you happy building,
The BaseTemplates Team*
